Definition of "Case Information":

If this release authorizes the disclosure of Case Information, consent to such disclosure may include the following types of information, if it is in files of the agency disclosing this information:

- a. Identifying information: names, birth dates, sex, race, address, telephone number, social security number, type of services being received and name of agency providing services to me or my minor children. Medical records, including but not limited to results of physical and mental examinations, diagnoses of physical and mental disorders, medication history, physical and mental health status and history, summary of treatment services received, summary of treatment plans and treatment needs.
- b. Psychological and medical testing, including but not limited to any IQ tests or other tests of cognitive or emotional or mental status. and any reports of physical tests such as X-rays, CT scans, diagnostic blood testing, and other test results.
- c. All records of services provided by the County Department of Human Services except child abuse investigation reports.
- d. Juvenile court and detention records.
- e. School records: This information is subject to the Family Educational Rights and Privacy Act of 1974, 20 USC 1232g, and the Ohio Student Records Privacy Act RC 3319.321.

To all Agencies receiving information disclosed pursuant to this consent:

If the records released pursuant to this consent include records of any diagnosis or treatment of drug or alcohol abuse, the following statement applies:

This information has been disclosed to you from records protected by Federal confidentiality rules (42CFR part 2). The Federal rules prohibit you from making any further disclosure of this information unless further disclosure is expressly pertained by the written consent of the person to whom it pertains or as otherwise permitted by 42 CRF part 2. A general authorization for the release of medical or other information is NOT sufficient for this purpose. The Federal rules restrict any use of the information to criminally investigate or prosecute any alcohol or drug abuse patient.

If the records released include information of HIV-related diagnosis or test results, the following statement applies:

This information has been disclosed to you from confidential records protected from disclosure by state law. You shall make no further disclosure of this information without the specific, written and informed release of the individual to whom it pertains, or as otherwise permitted by state law. A general authorization for the release of medical or other information is NOT sufficient for the purpose of the release of HIV test results or diagnosis.
