1 Overview

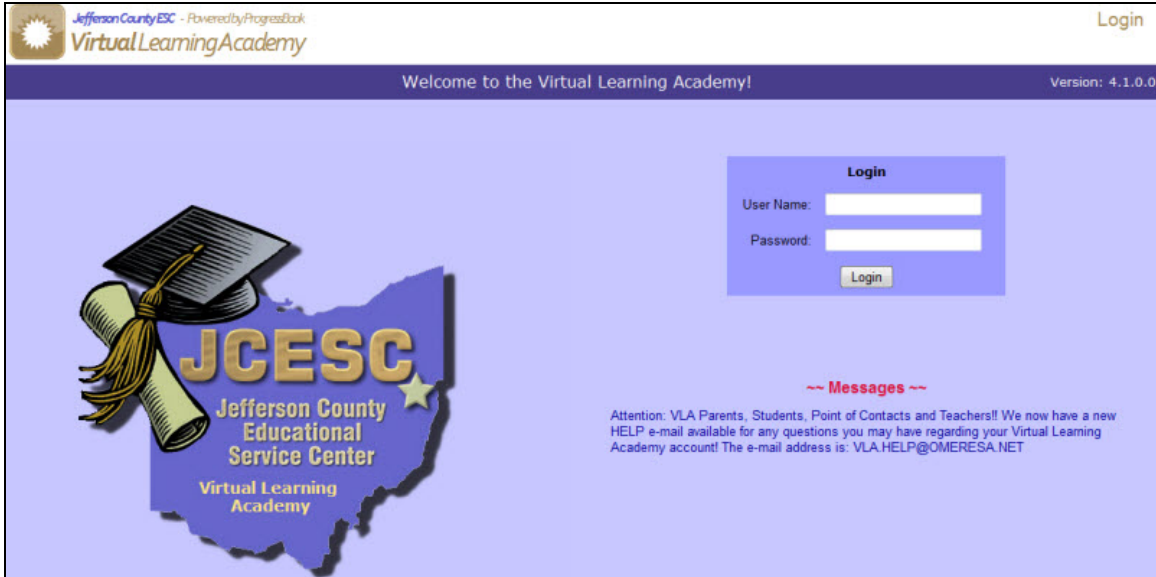

The goal of this document is to provide an overview of Virtual Learning Academy or VLA. It will familiarize you with the most common features of the application.

This manual starts by explaining how to login to VLA and what information is contained on the home page. In the next section, class units are explained. This includes how to view the unit content, look for additional resources and answer and submit questions. The following two sections explain the messaging system used to interact with teachers and the help system. The final section describes how parents can view their children's units and grades.

2 Login & Home Page

2.1 Login

The *Login* page is the first page of the application. A valid username and password is required in order to proceed.

2.2 Home Page

The *Home Page* is the first page you will see after logging in. The following sections explain the individual parts of this page.

Here is your progress:

Courses	Progress	Averages	Final	Topic Alert
VLA DFMO Elementary 2011-12	2 units completed out of 16	😊 72.67%		! NEW
VLA DEMO Secondary 2011-12	2 units completed out of 22	40.75%		! NEW

You have new messages!

Status	From	Course	Date	Re
📧	TeacherDemo12 TeacherDemo12	VLA DEMO Elementary 2011-12	11/1/2011 10:14:54 AM	Welcome!

📧=Unread 📧=Read 📧=Answered 📧=Not Answered 📧=Attachment

2.2.1 Toolbar

The toolbar is located in the top right corner of the *Home Page* and provides access to some commonly used features of VLA. The toolbar can be found on every page.

- 🏠 Return to the VLA *Home Page*.
- 📖 View units for a class (See [Section 3.1](#) for details).
- 📧 View messages (See [Section 4.1](#) for details).
- 📝 View VLA Student Blog (See [Section 5.3](#) for details).
- ✍ Write a message (See [Section 4.2](#) for details).
- 🗨 View Forum, Threaded Discussion (See [Section 4.3](#) for details).
- ❓ Frequently asked questions (See [Section 5.1](#) for details).
- 💻 Contact technical support (See [Section 5.2](#) for details).
- 🚪 Logout of the system.

2.2.2 Course List

This section of the *Home Page* gives you a quick view of your courses, how many units you have completed and your current average. Clicking on the **course name** in the 'Courses' column will take you to the *My Units* page where you can view units and grades.

Here is your progress:

Courses	Progress	Averages	Final	Topic Alert
ENG_LA I (19-36)	18 units completed out of 18	😞 87.61%	B	
HEALTH Health	18 units completed out of 18	😄 91.78%	A-	
HEALTHPE Physical Education	18 units completed out of 18	😄 93.22%	A-	
LANG Spanish I (19-36)	18 units completed out of 18	😊 75.67%	76	! NEW
Math Integrated Math I (19-36)	18 units completed out of 18	😞 88.06%	88.1	

2.2.3 New Messages

This section of the *Home Page* displays unread and not answered messages. Click on the **name** in the 'From' column to view the message.

You have new messages!

3 Units

The following sections explain how to view, answer and submit units.

3.1 My Units Page

There are two ways to get to the *My Units* page:

- ❖ Click on the **course name** from the *VLA Home Page*.
- ❖ Click on the  **icon** in the toolbar and choose the **appropriate class** from the 'Course' dropdown list.

On the *My Units* page you will see the name, status (Viewed, Graded or Submitted), grade and teacher comments for each unit in the class. Clicking on the **unit name** will take you to the *Unit Results* page, providing you have already completed the unit. If you have yet to finish the unit, you will be taken to the *Unit* page.

3.2 Unit Page

The *Unit* page is where you will spend most of your time. From here you can read the unit content, complete the questions and submit them. You can also find additional resources for the unit. The following sections will explain the various options available on the vertical toolbar on the left side.

3.2.1 Split Screen View

The *Split Screen* view shows the unit content and questions on the same page.

The screenshot displays the Virtual Learning Academy interface. At the top, the logo for Jefferson County ESC is visible, along with the text "Fidelity Progress 800k" and "Virtual Learning Academy". The navigation bar shows "Course: VLADEMO Secondary 2011-12" and "Unit: Musical Theatre". A "Format: html" dropdown is also present. On the left side, a vertical toolbar contains icons for "Split Screen", "Unit", "Questions", "Resources", and "Printer Friendly". The main content area is split horizontally. The top half, with a light blue background, displays the title "Musical Theatre" and a collage of musical theatre posters including "Grease", "Chicago", and "The Sound of Music". A "Print this page" button is located below the collage. The bottom half, with a light purple background, contains the text "Course: FATH Introduction to Theatre I" and "Unit: Musical Theatre". Below this, it says "Answer the following questions below:" and "For questions 1 through 3, type a response in the answer box applying what you have learned about musical theatre." A question is listed: "1) Name one of the ways music and theatre were combined, prior to the inception of musical theatre." The question text is highlighted in green.

3.2.2 Unit View

The *Unit* view shows a unit's content.

The screenshot displays the Virtual Learning Academy interface. At the top, it shows the logo for Jefferson County ESC and the text "Powered by ProgressBook". The main navigation bar includes "Course: VLA DEMO Elementary 2011-12" and "Unit: 10. Latitude and Longitude". A "Format: html" dropdown is also visible. On the left sidebar, there are icons for "Self Screen", "Unit", "Questions", "Resources", and "Printer Friendly". The main content area is titled "PDF File" and "Course Overview". The course overview text states: "This course focuses on the geography of the continent of North America. Students learn how people came to the continent and about the land and resources they found. Citizenship skills build as students learn about U.S. history and the democratic government of the United States. Students continue to develop research skills by obtaining information from multiple sources." Below this, the unit title "LATITUDE AND LONGITUDE" is centered. The "Unit Overview" section begins with: "In this unit, we will be learning about longitude and latitude lines and how they help us locate places on Earth. Longitude lines run from the North Pole to the South Pole. Latitude lines run east to west. We will also read about the equator and the prime meridian. Both of these have a location of 0°." A globe icon is shown next to the text: "To help people know where things are located on the Earth, map makers decided to draw imaginary lines around it. So when you look at most maps or globes, you will notice lines that run across and up and down. They form a sort of grid. A grid is a set of criss-crossing lines. Look at the globe to the left."

3.2.3 Questions View

The *Questions* view shows a unit's questions.

The screenshot shows the 'Questions View' interface for the Virtual Learning Academy. The top navigation bar includes the logo for Jefferson County ESC, the text 'Powered by ProgressBook', and the 'Virtual Learning Academy' name. On the right side of the top bar are several utility icons (home, search, help, etc.) and a 'Answer Questions' button. Below the top bar, the 'Course' is set to 'VLA DEMO Elementary 2011-12' and the 'Unit' is '10. Latitude and Longitude'. The main content area is titled 'Answer the following questions below:' and contains the instruction 'Using the map of the world from your lesson, answer the following questions.' The first question is a multiple-choice question: '1) The line that divides the world in half into an eastern and western section is called the _____.' The options are: A) latitude, B) longitude, C) prime meridian, and D) equator. Below the options, it states 'Correct Answer: C' and has a 'Save' button. The second question is a text-based question: '2) What is the coordinates for the equator and the prime meridian? _____'. Below this question is a large text input field with a character count of '20000 character(s) left'. On the left side of the interface, there is a vertical sidebar with icons for 'Split Screen', 'Unit', 'Questions', 'Resources', and 'Printer Friendly'.

3.2.4 Resources View

The *Resources* view shows where you can find more information or sample problems for the unit. They can be documents or websites.

The screenshot shows the Virtual Learning Academy interface. At the top, it says "Jefferson County ESC - Powered by ProgressBook" and "Virtual Learning Academy". The course is set to "VLA DEMO Secondary 2011-12" and the unit is "9. Right Triangles and Trigonometry". On the left sidebar, there are icons for "Soft Screen", "Unit", "Questions", "Resources", and "Printer Friendly". The main content area is titled "Links from the Unit" and lists several resources:

- [Angles_Depression.gif](#)
- [MATHOGTU12_ODD_ANSWERS.htm](#)
- [MATHOGTU12Right_Trigonometry.pdf](#)
- [Overview_image001.jpg](#)
- [Pythagorean_Theorem.gif](#)
- [Quicktime_Video Icon.gif](#)
- [Special_Triangles.gif](#)
- [vid_Find_Sail.htm](#)
- [vid_Finding_Distance.htm](#)
- [vid_Pythagorean_Proof.htm](#)
- [vid_Special_Triangles.htm](#)

3.3 Answering and Submitting Questions

To answer questions, you need to go to either the *Split Screen* view or the *Questions* view. The *Questions* view is used in the following screenshots.

Perform the following steps to complete and submit a unit's questions:

- 1) Type your answer in the textbox and hit the 'Save' button. Once you save a question the answer is stored in the system. So if you logout and come back later to complete the unit, your saved answers will still be there. **If you logout and do not save your answers all work will be lost.** To overwrite an answer you previously saved, enter the new answer in the textbox and click the 'Save' button.

The screenshot shows the Virtual Learning Academy interface. At the top, it says "Jefferson County ESC - Powered by ProgressBook" and "Virtual Learning Academy". The course is "VLADemo Elementary 2011-12" and the unit is "10. Latitude and Longitude". The page title is "Answer Questions". On the left sidebar, there are icons for "Split Screen", "Unit", "Questions", "Resources", and "Printer Friendly". The main content area says "Answer the following questions below:" and "Using the map of the world from your lesson, answer the following questions." The first question is: "1) The line that divides the world in half into an eastern and western section is called the _____." The options are: A) latitude, B) longitude, C) prime meridian, and D) equator. The correct answer is C. There is a "Save" button below the question. The second question is: "2) What is the coordinates for the equator and the prime meridian? _____". There is a large text input box for the answer and a "20000 character(s) left" indicator.

- 2) When you are finished with all the questions you are ready to review your answers. Click the 'All Finished! Review My Answers' button right below the last question.

The screenshot shows a question: "25) Estimate the sum of $3569 + 4299 + 829$ ". There is a text input box for the answer and a "Save" button below it. At the bottom of the page, there is a button that says "All Finished! Review My Answers".

- 3) You are taken to the *Review Your Answers* page. The purpose of this page is to allow you to double check your answers and make any changes if necessary. Make sure to click the 'Save' button on any answers that you change.

I'm still struggling with Unit 3 questions 4-6. Help!

Important! A reply has been requested. [Click Here](#) to answer.

4.2 Writing New Messages

To write a new message click the  icon in the toolbar. Choose which **teacher** to send the message to by using the 'To' dropdown menu.

The screenshot shows a message composition interface with a light blue background. At the top, it displays the following information: 'From: Spring Demo', 'To: Spring, Demo-Student (VLA May 2011 Demo - Demo - Demo, Spring)' with a dropdown arrow, 'Date: 6/6/2011 6:49:51 PM', and 'Re: Email question'. A blue link labeled 'Show Parents' is positioned to the right of the 'To' field. Below this, the 'Attachment(s):' section contains two buttons: 'Add Attachment' and 'Add Recording'. A large white text area with a vertical scrollbar is labeled 'Type to the student here...'. Below the text area, a character count reads 'You may enter up to 20000 characters. 20000 characters left.' At the bottom, there is a question 'Would you like an answer to your message?' with radio buttons for 'Yes' and 'No' (which is selected). Two buttons, 'Send the Message' and 'Cancel', are located at the very bottom.

4.3 Forum/Threaded Discussion

To view the forum, click on the  icon in the toolbar. Respond to the post from your teacher and have a discussion with other members of your class. See the Threaded Discussion Instruction Manual for step-by-step instructions.

The screenshot shows the Virtual Learning Academy interface. At the top left is the logo for Jefferson County ESC - Powered by ProgressBook. The main header area includes the text "Virtual Learning Academy" and "Message Forum" with several navigation icons. Below this is a dropdown menu for "Audience" set to "VLA DEMO Secondary 2011-12". A section titled "General Course Info" contains a table with the following data:

6 Parent Access

VLA allows parents to view their children's progress in their courses. The parent version of VLA is virtually identical to the students. The parent access is *Read Only*.

The *Parent Home Page* is the first page you will see after logging in. It lists courses, averages, grades and the activity for each course. If you have several children, you can choose which child you wish to view from the 'Student' dropdown menu.
